Tuesday 12th March 2024

Dear Parents/Carers,

I am very pleased to detail below our programme of extra-curricular activities on offer for our children. I thank all of our teaching staff who voluntarily give up their time to lead this programme of activities which enhances children's learning experiences.

Please discuss the activities available for your child and return an activity request slip to the class teacher who is leading the club as soon as possible. All activities will commence week beginning **Monday 8th April 2024**. The number of places are limited. Therefore, places will be allocated on a first come first served basis. **Please return your request slip before next Wednesday 20th March – These should be returned directly to the member of staff leading the activity.** Your child will receive confirmation if they have been successful in gaining a place. If numbers exceed those specified, a waiting list will also be maintained by the teacher leading the club.

Children will be elected to the respective councils by their classmates.

Each week, a register will be taken by the activity's staff member and it is important for your child to commit regularly to its attendance. At the end of the session, children will be dismissed by their usual exit door. This will avoid congestion at the school's main entrance if more than one club is exiting at the same time. If you have any questions regarding an activity, please speak to your child's class teacher or a member of staff in the office will be happy to help.

Yours faithfully,

Mr. Lane
